**LETTER IN REGARDS TO 1st SUPPLEMENTAL RECORD**

In regards to the 1st Supplemental Record filed 03/25/2022, the dates of the exhibits is not entirely accurate. My exhibits were first offered to the County Clerk on and before 07/15/2021 as email attachments. The video files were also mailed to the County Clerk on 07/19/2021 after the County Clerk requested that I mail them a copy of the videos. They were resubmitted and refiled multiple times after this because the County Clerk kept filing them in a defective way. For example, the image files were originally filed in black and white. After I requested they be refiled in the original high resolution color format, the County Clerk then refiled them as even lower resolution black and white images, and so on and so forth.

The 1st Supplemental Record submitted still contains low resolution resolution black and white images and appears to be missing all of my videos. The County Clerk stated that they could not submit my video exhibits to the Appellate Court because they did not correctly certify them when I originally

submitted them into evidence. I followed the process as explained to me by the County Clerk for video submission, namely I mailed them to the County Clerk by request of the County Clerk.
